RANIA MOSQUE

(SC579)

WILTON WOVEN HEATSET
MOSQUE CARPET

Specification

Construction: Woven Incorporated Wilton
Surface: Level Cut Pile
Pile Content: 100% Coiler Heatset Olefin
Pile Height: 10mm
Total Height: 12mm
Pile Weight: +/- 2500 g/m2
Total Weight: +/- 3200 g/m2
Shot Density: 120/10cm
Warp rate: 37.5/10cm
Width: 3.97m (13')
Design Repeat: 1.32 m (4 ft. 3 in.)
Flammability: Low Radius Effects
Light Fastness: 5-6
Water Resistance: 4-5
Country of Origin: TURKEY

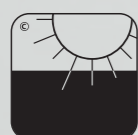

**Slight color variations may occur from dye lot to dye lot.*

**This carpet is designed and manufactured for indoor usage. Please ensure there is no exposure to direct sunlight and excessive indoor spot lighting with high UV rays that may cause carpet to be damaged*

**Shading is the result of pile direction change often referred to as 'water marking'. This is an inherent characteristic and therefore does not constitute a manufacturing defect.*

ADDITIONAL CHARACTERISTICS
 Stairs continuous use:
 EN 1307, EN1470, EN 13297,
 EN1963, pr EN 15114, EN 14215

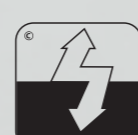

ADDITIONAL CHARACTERISTICS
 Light fastness:
 AATCC 16E

FLAMMABILITY
 ASTM D-2859-96 & CPSC FF-170
 Self Extinguishing

ADDITIONAL CHARACTERISTICS
 Staining resistance
 AATCC 175-1993

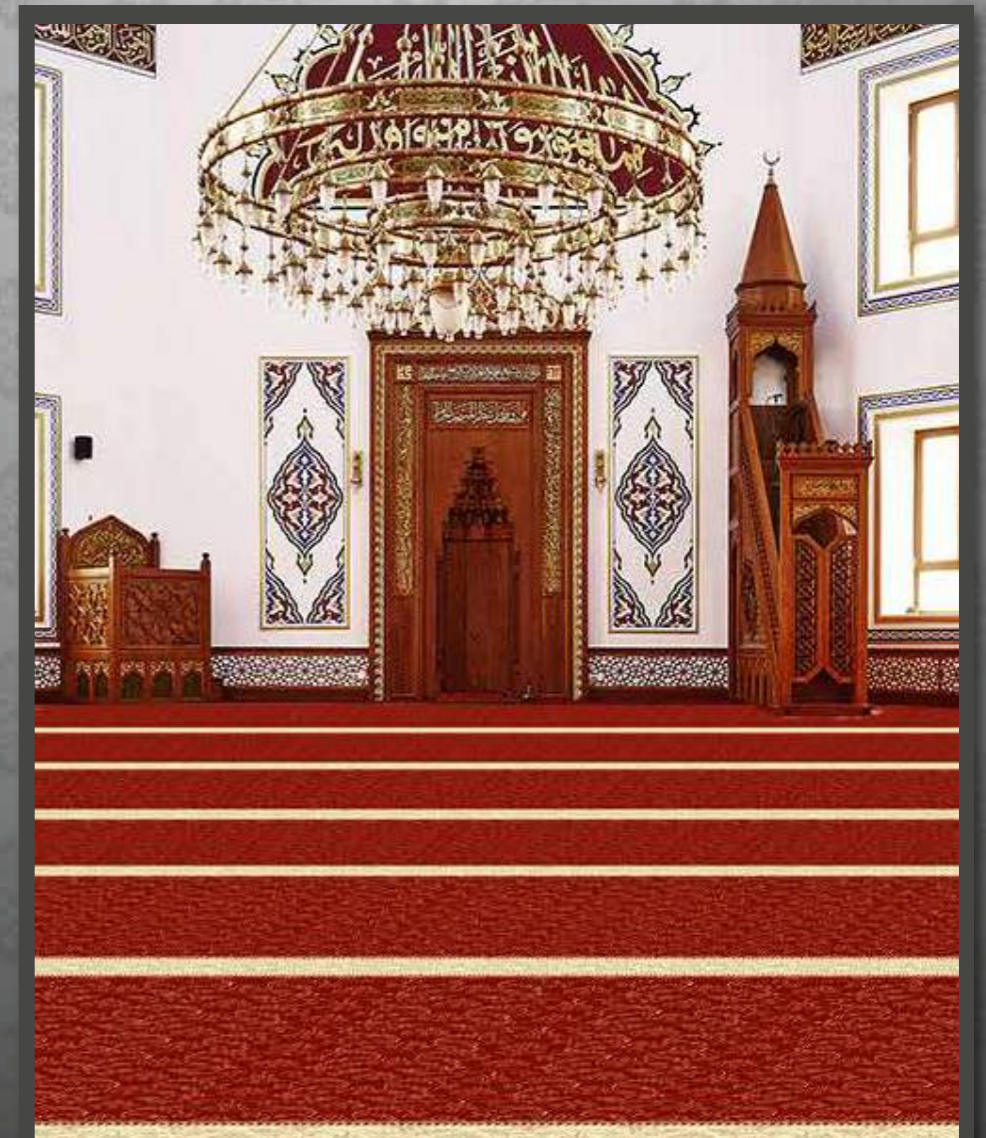

CE MARKING EN 14041
 Electrical behaviour
 EN 14041, EN 1815, EN 6356

ADDITIONAL CHARACTERISTICS
 Abrasion resistance:
 EN 13329, EN 660-1, EN 660-2
